

New Crew Program Being Offered Again for 2017

The TBYC is offering the popular New Crew Program once again for the 2017 season!

Adults with little or no prior sailing experience are encouraged to join experienced sailor and educator Bill Dunlop for a two-weekend program that will give them a practical foundation for joining a boat as crew for TBYC sail races.

This introduction consists of 4 classroom and on-the-water sessions, based out of Oliver Road Community Centre (563 Oliver Road). The total cost is \$165, and includes a 2017 TBYC Associate Membership at \$25 and \$140 for the program.

The program fills up quickly, so be sure to register early - contact Bill Dunlop at (807) 768-5885.
