

SOLD Grampian 26

Price: \$2000

This boat has sold!

The sail boat is the Mrs. Tuttle. She's a 26' Grampian. Some details here https://en.m.wikipedia.org/wiki/Grampian_26. Had a 7hp marine BMW. Took it out for repair. Head gasket is gone or cracked water jacket. Currently use a 15 hp long shaft. The boat has been used for the last 3 years. It's fun and sound. Feel free to take a look at it. Thinking maybe \$2000. Look at it tell me what you might want to offer.
